

## Carrie D. Schnoor

*From Day Before Yesterday by Nell Pauly*

Carolyn Dorilla Stowell was born December 29, 1872 in Big Springs, Wisconsin. She was raised and educated in Wisconsin and taught school before her marriage. Carolyn married William Schuster on October 16, 1901. William Schuster was a plumber by trade. He had tuberculosis and they moved to Colorado for his health. In 1905 they moved to Denver and to Grand Lake in 1910. They had two daughters, Florence and Helen. In 1915 Bill Schuster passed away.

Carolyn (Carrie, as she was known), taught the Grand Lake School in 1912 and continued teaching for several years. Later she was elected the County Superintendent of schools for 26 years. She was a staunch Republican, never wavering from her ticket.

Carrie was a Good Samaritan in times of need and stress to her fellow men, yet of stern character. She married Henry Schnoor June 17, 1917, a Grand Lake widower with two young daughters, Beatrice (Bea) and Mary (Mayme). So there was a family of six all of a sudden. But Henry's younger daughter Mayme did not make her home in her father's house but remained at the Harbison ranch with the Harbison sisters, Annie and Kitty, who had raised Henry's two little girls since there were mere babies. Bea lived in the Schnoor home along with her new step sisters, Florence and Helen. Carrie Schnoor had many friends and was very well respected in her community.

After the death in 1943 of her husband, Henry, Carrie lived with her daughter Florence Quail in Ault, Colorado. Later she lived in a nursing home in Greeley where she passed away in 1959.

Mrs. Schnoor is Pioneer Clubwoman

At the annual meeting of the Moffat District of Women's clubs and as a part of the Golden Jubilee celebration of the General Federation, Mrs. Carrie D. Schnoor of Grand Lake was honored with the distinction of holding the longest continuous membership in a woman's club for the entire Moffat district. In recognition of the service implied by such a record, Mrs. Schnoor was presented with a beautiful corsage of gardenias.

Mrs. Schnoor had joined the Grand Lake Embroidery club about 1913 and the club evolved into the Grand Lake Woman's Club and became part of the General Federation of Women's clubs in 1928. She has been a continuous member since that time. It is especially appropriate at this time to honor Mrs. Schnoor as our pioneer clubwoman in Moffat district, inasmuch as she is rounding out more than a decade of years of service to Grand county as county superintendent of schools. Her record is worthy of emulation and congratulations and we are happy to pay her this tribute in this anniversary issue of the Middle Park Times.
