**Charles Alfred Eslilck**

Charles Alfred Eslick was born 1895 in Idaho Springs, Colorado to Alfred and Georgia Eslick. The family moved to Grand Lake in 1904 and Charles attended school in Grand Lake. There was no well on the premises so Charles and his brothers carried two buckets of water to school in the morning and when they went home for lunch, they carried back another. Three buckets of water to run a school all day!  Charles' father was janitor.

 In 1913 at the age of 18, Charles died when he fell off a freight wagon and landed under the wagon wheels.  Death came from a broken neck.
