A TERRIFIC PRESENTATION

Margaret "Scotti" McCarthy will demonstrate how she uses the internet to research cemeteries, and to find specific grave sites in Grand Lake and around the world. Learn how to discover your family's genealogy!

Please attend this interesting, free event!
Refreshments will be served!

You'll find the Kauffman House on Pitkin Street, at the beach, in Grand Lake. The Museum is open every day from 11:00 to 5:00, entrance by donation, so do come by for a tour or just to see the changes!

The Kauffman House Museum is open for the season! Authentic, re-created wall coverings are in place, and *well* worth a visit.

These projects were funded in part by grants from the Grand Foundation and Grand County, and it's amazing to see how the parlor and upstairs original guest room have been transformed... taken back in time to their original styles.

You are needed! The Historical Society invites you to join. Your membership is what makes the projects of the Society work so well. And, your skills are needed as well! We have so many exciting opportunities for service. Of course, the Kauffman House always needs friendly volunteer docents to greet the visitors who come from all over the world to our area, and always love our unique museum. But, we also need energetic people to organize and participate in our many special events and ongoing projects. You can march in parades, use the computer in many capacities, update files, research local events, help preserve and restore the Cottage Court, maintain the House, and on and on. You'll meet a lot of folks, and you'll learn more of our local history.

Call us at 627-9644. We need you, and it's fun!

The mid-summer special display at the Kauffman House will be all about hats! There'll be everything from a collapsible stove pipe hat of the 1880s to some of those little flower and net types you'd see on Mamie Eisenhower! The display runs June 13th thru July 18th, and is sure to be worthwhile. Also, if you'd like to display your own vintage hats, we'd welcome and care for them. Just give Lois a call at 627-0909 to make arrangements.
